Jeffrey,
Heli update:
I will have helicopter completion update on Monday when I visit.

GIV;
No air leaks found in floor board during ground runs, however we did remove and re/install the door seal so it inflates fully around edges., had to realign the seal.,plus re are readdressing the sealant edge were door seal meets fuselage.,

B727:
Darren sent John Ashley an email on Friday with no response, except Gary's email that Darren fwd to you. I sent Ashely an email morning stating I would be available anytime to meet him at Boeing to show the aircraft in person.,
Gary indicated on Friday that Ashley is working his schedule and would know in the next couple of days when he could view the Plane., if I haven't heard back via email, I will call him direct on Sunday and ask for an update.,

Thx
Larry
