Subject: Hi Jeffrey

Hi dear Jeffrey:)

How are you?

Jeffrey I just had a lunch with Barry. I told him that I'm really unhappy with my current modeling agency, that I don't have castings at all, and he told me that he'll try to help me to get into some other - better agency.

He said he knows Faith Kates at NEXT and that he gonna write her about me.. Also he said that you know Faith as well and he told me to ask you to write her as well.. since she would listen to you.

Please can you write Faith to see if she can meet me someday next week?

Cause I really wanna switch into better agency.

Thanks a lot in advance :)

Sending my love,
