Thank you.

Unfortunately I am not any better.  
It feels as a very/extremely dark period.  
It feels that all doors are slamming that I am losing everything.  
Even perception of some stability with FMI (down additional 20% in last two days) is now shaken.  
Yes - I can "see" but all that I can see is not that nice.

Sorry to bother you with all of this.  
I do not like "downer" people and now I am turning into one - this is an additional stuff I hate right now about my situation.

I also barely slept last night (took 6am flight to NYC to meet NLV partners) which adds to the gloom.
