Title: 10 YEAR ANNIVERSARY HAPPY HEARTS FUND GALA.

Hi sunshine,

Hope you are having Happy week. Here is the invitation to the Happy Hearts Gala on June 19th, which this year will be very special and meaningful.

It is hard to believe that this year marks the 10th anniversary of the devastating 2004 tsunami which I was blessed to survive, therefore it will be an extra special gala. We will celebrate the 85 resilient disaster-proof schools that have been rebuilt and the happiness that they have brought to 46,000 children in seven countries that have been impacted by natural disasters. Our goal is to open our 100th school by December 26th 2014, on the day of the anniversary.

This night will also be extremely special because of our incredible honorees. Bill Clinton, the 42nd President of United States, will.i.am and apl.de.ap from the Black Eyed Peas and United Airlines. Each of our honorees focus on helping children and communities after natural disasters. I have attached the invitation for you below.

Will you be able to join us during this meaningful and unforgettable event please? Will you help us to rebuild 100 resilient disaster-proof schools this year for children who are forgotten for years after natural disasters? Would you help us to bring hope to children who lost it as their voices have not been heard please?

Lots of Love, Light and Laughter

P.
