# GLOBETROTTING: NEW DELHI

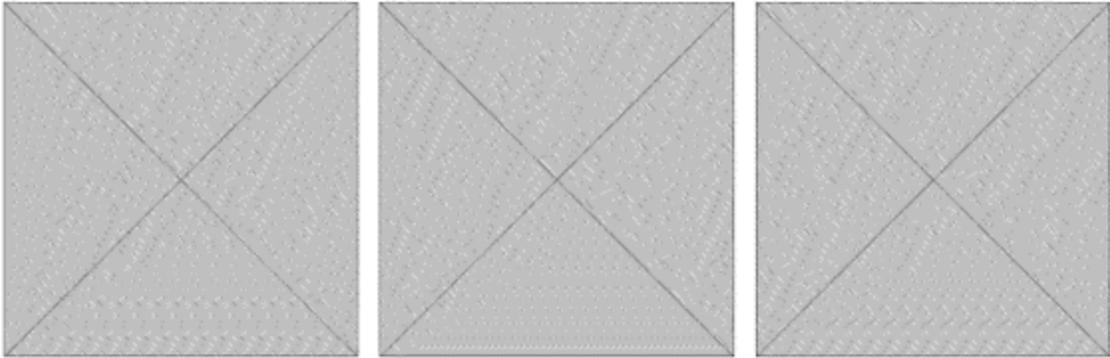

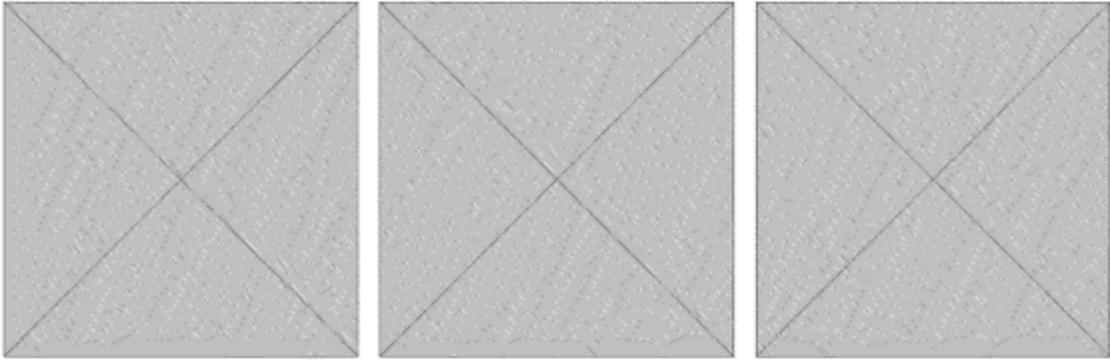

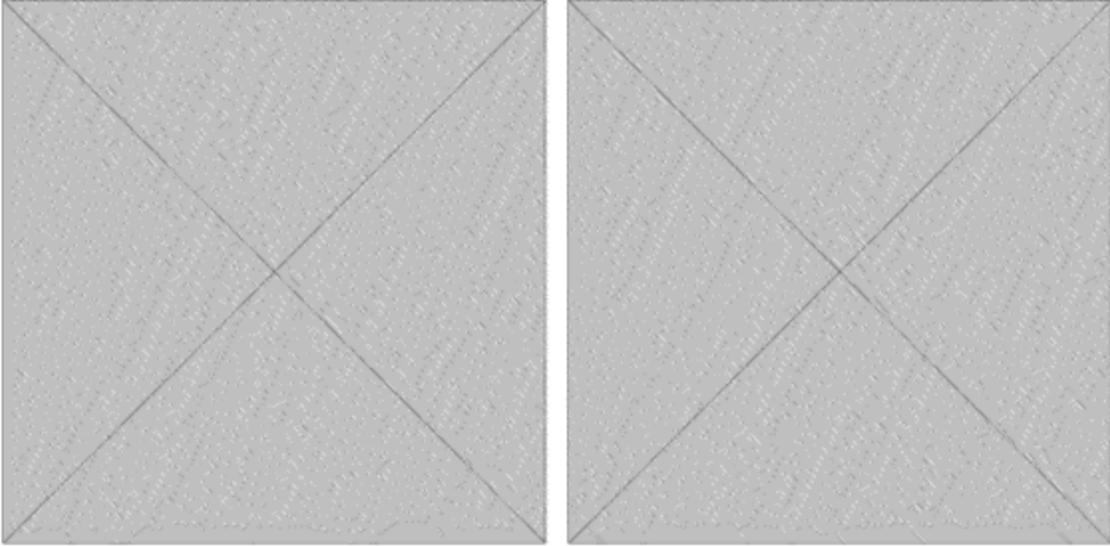

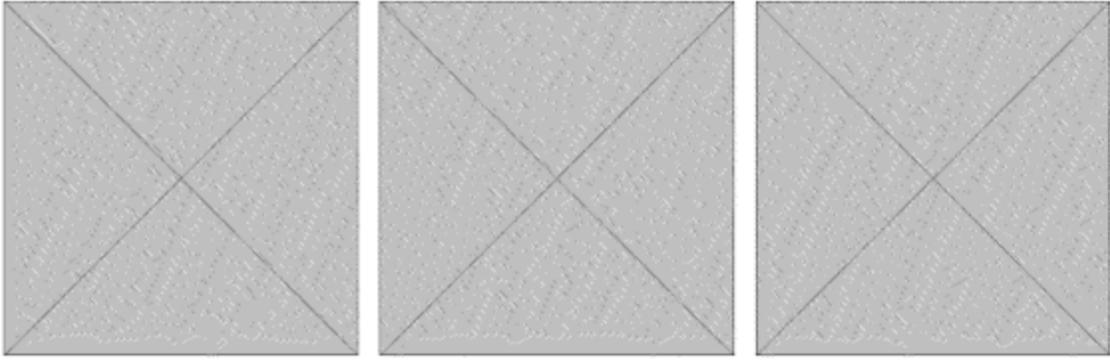

Handpicked in India.

We've traveled the world, quite literally, to bring you today's stunning collection. Two of

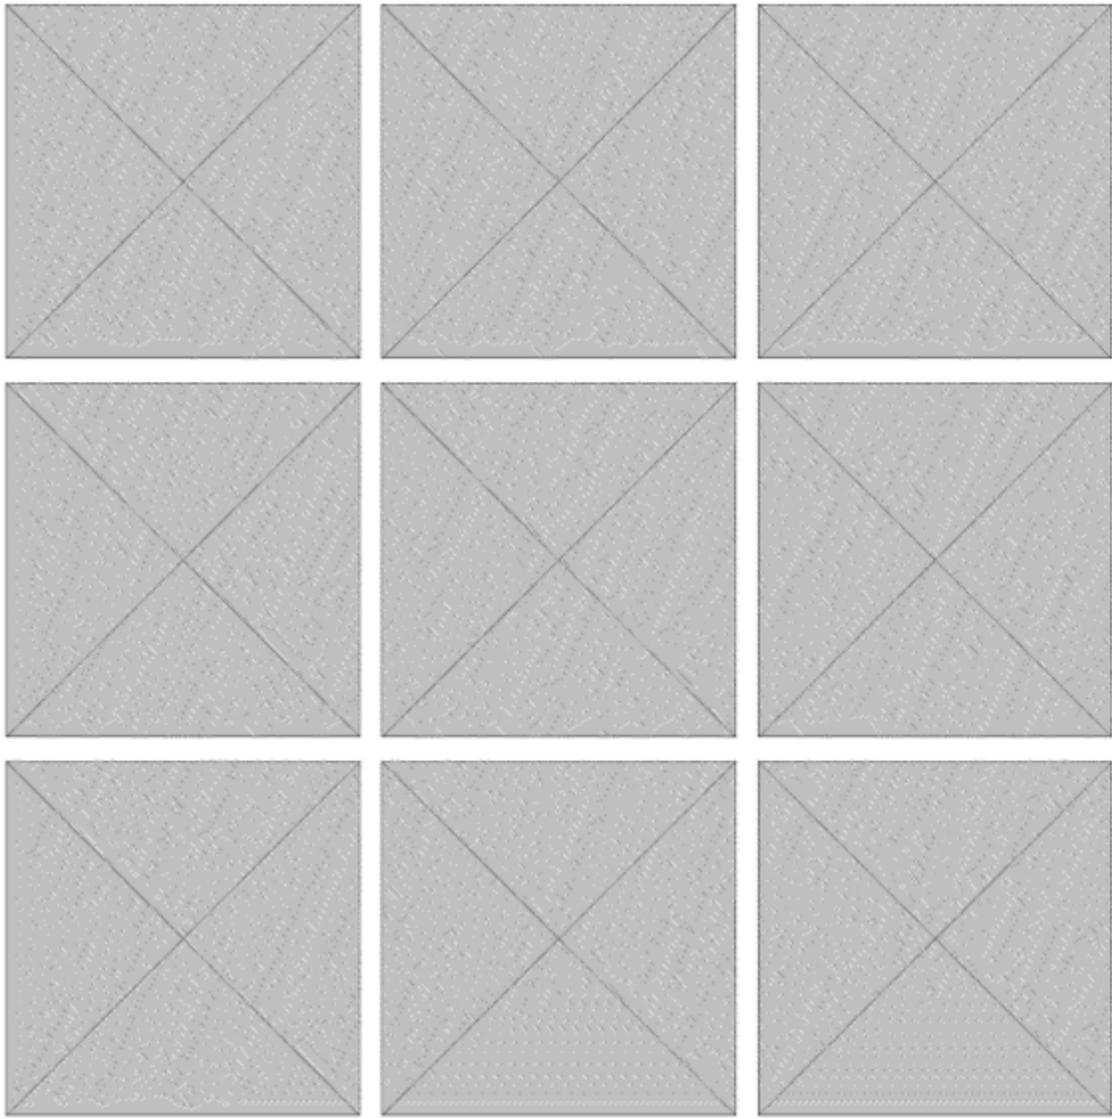

our curators traveled all the way to New Delhi, India, on a mission to track down an assortment of unique bohemian delights. Imagine walking through an open-air market, the warm sun on the back of your neck, as you smell a sweetly aromatic candle silk-screened in 14K gold. Stand on colorful and eco-friendly area rugs made by hand, and bask under unique pendant lighting that casts a warm aura onto any space. It's all here, and we're thrilled to be able to share it with you.
