Jeffrey,
April 8, 9 and 10, The FAA will conduct and inspection / audit in Brunswick GA during our Maintenance visit . This is standard procedure due to our FAR125 certificate, and the fact, the FAA wants to inspect the aircraft while it is opened up to confirm we are maintaining the aircraft properly. I am not concerned at all, Morrison and I have a great repore with the Orlando FAA.
Larry Morrison has taken 3 days vacation from his current job to be present during this audit with the FAA, They request his presence. I think its important for Morrison to be there.

Do you approve of us paying him \$500.00 per day for his time spent on this audit?

thank you,
Larry
