We can proceed as you prefer. In case you want us to sign MOU without you signing, we can anytime, otherwise we can proceed as you think is best.

The 700 is the first year of french agency. For the moment we are ready to deploy only that money. And of course as per the rules set up you will have to approve the other investments for the future years and for the london agency.

Please let me know if there is anything else we can provide, we are available when you want.

Thank you
GS
