Going to bed now in NY, but I reiterate that I think that Maxime would be a perfect match for you with all your properties, including Foch because, being French by birth, and American standards, he could ease so much. He did a fantastic job for his boss (who is now quite aged), very frugal with the staffs and households and always watching out for his boss with the accounts. Maxime's cell is [REDACTED]. Let me know what's happening, but definitely pursue this quickly. I leave to meet FC in Israel on April 28, a few days before the....(shiver and shake), my BIRTHDAY! ugh. xo
