just spoke with Neesha the bookkeeper that i brought in to help. I will pay her medical and give her additional comp.

their offer to her , after being told to hire her , and get on with it, was as follows:

- 1) not being hired as employee rather a 1099 contractor
- 2) not being called a job but an assignment
- 3) salary 65,000
- 4) no medical benefits

asked Neesha for references and for her to come in next week

nothing for you to do. just keeping you informed.
