Jeffery,
Darren and I just spoke to John Ashely, He indicated May13th (Tuesday) viewing of the Boeing in Brunswick. Ashley said he will fly into Jacksonville (airline I assume) rent a car and drive to Brunswick. (50min drive). He mentioned 95% sure the deal will go through again,. Ashley also mentioned he wanted to close by June 25 latest, since he has travel plans for the Boeing during the July 4th weekend.

Do you agree that its worth waiting until his viewing, before proceeding with Paint?
Gutt tells me, he will have another excuse after he views the plane on May 13th and delay going into contract.

The two troublesome comments he keeps making:

#1 he keeps using the term, 95% sure he will proceed, as Ashley mentioned, there is a silent partner involved in this.

#2 he's flying the airlines to Jacksonville, and driving to Brunswick.

thank you,
Larry
