## An Evening with Arianna Huffington Thursday, May 1st, 6:30 – 8 PM The Gallery

Besides being the chair, president and editor-in-chief of the *Huffington Post* website, media maverick Arianna Huffington is also the author of numerous spirited books including "Picasso: Creator and Destroyer," and "How to Overthrow the Government." Throughout her career, Huffington has had a prolific presence as a journalist, entrepreneur and political tastemaker; she was a weekly panelist on the BBC radio program *Any Questions*, and has moderated a slew of political debates. In 2009, she was listed as one of the Most Influential Women in Media.

Please join us for an impassioned conversation with Arianna Huffington as she discusses her new memoir, *Thrive: The Third Metric to Redefining Success and Creating a Life of Well-Being, Wisdom, and Wonder*. You'll gain insight into how hyper multi-taskers should balance work, personal life and cultural forays from a woman who's done it all, and thrived.
