One of the doctors Eva gave us could give a partial exam to Mariana this Sat. April 12th. He says he could probably be available from 1-4pm. Dr. Neil Vorus says it is too much to do in one day for entire exam...he is concerned that she speaks Polish as a first language (how fluent is M in English? I keep being asked this...) He says there may be some "fuzziness" about taking this exam in English because [REDACTED] is a language based issue...he would like to investigate a bit more if you want him to do this. His fee is upwards of \$5000. She would need to come back another time to take the second half of the exam.

FYI- I spoke w/Dr. Gail Goldman (Eva's contact) she does do this type of testing but is away this Sat. Spoke w/Dr. Roy Boorady (Eva's contact) He does not do this kind of testing but people in his clinic do...he has passed on all my info and the person will investigate if they can do the test this Sat. and get back to me.
