Call me thurs

Jeffrey...every year Anna lets me buy a ticket for cocktails only for \$1,500.

Last year David Koch took me to the dinner...ticket was \$15,000

This year they cut the size of the event and raised the ticket to \$25,000 EACH. As much as David loves me, he is going without Julie (who doesn't want to go) and me.

Anna will let me come for cocktails again, for \$5,000.

This is very expensive for me...would you have any interest in donating \$5,000 to the Costume Exhibition (tax deductible) and I can go...work the room during cocktails....

If this is a stupid request...I will just go to some other literary event that same night.

Do NOT think less of me for asking. I am very busy at work. We have a lot of events and looking forward to writing about Cannes.

Hope you are well.
