Subject: Re: VI Dental License Application

Good Day Mrs. deJongh,
I spoke with Mr. Epstien and he had a few questions that I had to confer with the board for a response. he said it was okay to reply to you via email.

1. The applicant will have to complete dental school before she can sit for the VI Clinical Dental Exam;
2. There are currently no established residency programs in the territory;
3. The newly proposed Dental Practice Act is slated to go before the Senate Committee on health on May 9th, once that process is vetted the board will have a clearer idea on what her options are moving forward.

I hope this helps and enjoy your Easter.

Good morning Deborah,

Would you be available to speak with Mr. Jeffrey Epstein today about the
Dental Licensure procedure?

With warm regards,

Cecile

Good Day Mrs. deJongh,

I attached the VI dental licensure information and application packet as promised.

The Dental Board revised and submitted a new practice act which will debut in the
Senate Health Committee on May 9, 2014. If all goes well, there will be significant
changes and allowances for reciprocity. Hope this information helps and please let
me know if you need further assistance.

Sincere Regards,

Deborah Richardson-Peter, MPA
