Jeffrey,

PHX Customs flight OK,. April 4th ?

Customs is not enforcing Overflight, as long as operator has obtained Overflight in the past, (as we have), we are allowed to fly into any AOE (Airport of Entry). with prior approval.

Phoenix Customs hours of operation **Monday - Friday 8:30am - 4:30pm only**, no overtime according to officer on duty.

Phoenix will approve overflight after they review passengers listed on EAPIS for this flight on April 4th and we must land between the hours of 8:30am and 4:30pm Monday - Friday.

I have contacted Rusty Crammer our DU885 Sales Rep, to assist with pushing Gulfstream to give an answer regarding installing other style outflow valve louvers,

In the future I will give a minimum of 12 month warning of impending inspections that will come due, so we can address Mx scheduling properly,
