I'm sure it will be really interesting -- I've never been to a TED talk but attended Moses Znaimers' TED City both years I lived in Toronto. I loved it. I hear there will be some cool traveling art with the Talks... some kind of sail or parachute in the sky. Interactive, bien sur.

Give me a call one day, if you like, to catch up. I often think of you and wonder how you are doing.

My little blog is a side project but it just won Best New Blog in Canada, so I'm kind of proud:
