Hey Bossman,

Just thought you might want to see what it would look like before they start...

1. Carlos will call VI Carpet to setup a date to redo the carpet inside.
2. Danny will start the cutout's tomorrow morning.
3. Offshore Marine is asking that you draw a picture of the boat (Pic 3) and mark exactly where you would like the patches on Nana.

Carlos is suggesting that you add the Fiberglass bow pad for the lines in (Pic 5) so that the lines don't rub on the tube when tied-up, He's also suggesting that we add the Fiberglass steps in (Pic 6) to the far back of Nana where the big black patches are on each side?

Strap handles in (Pic 4) is only if you would like.

Anna :)
