PASSPORT: COLOR FESTIVAL IN INDIA

Get Enlightened With Vibrant Color

In India, the arrival of spring is celebrated with the Holi festival, an ancient Hindu tradition where highly saturated colored powders are thrown into the air and met with water—painting everything in their path. The result: A kaleidoscopic display of bright, vivid color. Inspired by this splendid tradition, we've pulled together brilliant chandeliers, vivid chairs, and Indian accessories that are sure to brighten up any room in your house. Bring on the color!
