I barely know Jenn... but I know and trust you - so it's fine :)
I just asked my agency to keep those days off for me... So I can come to ranch :) yeiiii:)
Woop-woop :)
Had a lunch with Steve today... he is a great person... and I see that he really likes me and believes in me, you know... But I don't need him to believe in me... I need him to help me!!! I didn't want to look too pushy... but I'll ask him next time to introduce me to his casting directors, as he promised before... He also promised to send me some scripts for his upcoming movies... so if there is anything I can be audition for - I'll ask him:)

I also gonna have a meeting tmrw with one talent management company - Barry set me up with this meeting.. Barry is great.. he has been so helpful :) and I thank YOU for introducing me to him :)

Anyway... I'll see you on Monday :) :) :)

Million kisses..
