Hey Boris,

Yes have the memo as well as the updated one answering my questions from the lawyers – I need to figure out a few things internally before sending to you. This is not holding anything up in the meantime – lawyers are continuing to review the PPM.

Shall I give you a quick call evening PST (anytime after 8pm?)

Regards

Saurabh

Do we have any updates?

If not, could you please send me your version with your questions.

It is your Thursday (just another day and April is here). I know that you are under pressure but I am just getting so anxious that attorneys are not credible – almost every deadline so far was missed.

Thank you!

B

Yes – I have asked a bunch of questions/clarifications which should get resolved today. Will also send you the final one (today or tomorrow hopefully!)

Best

Saurabh

Yesterday during call attorneys said that they would have a memo later in a day. Did you receive it yesterday?

Thank you

Boris

Saurabh,

That sounds good. Could we do 10:30 a.m. Monday instead of 10:00?

Boris, Paul, Daniel,

As discussed, it would be great if we could all get together on a short phone call to give Boris an update on various activities in the last few weeks as well as visibility to next steps etc.

Please let me know if Monday morning around 10am ET would work for all?

Regards

Saurabh
