What are some concise ways to convince people that consciousness is not an emergent property?

64 **Marc Ettlinger, Research Neuroscientist, Department o...**

Despite what the other answers say*, it's actually pretty easy, in part because the burden of proof is on those that argue that it is an emergent property. You can poke hol... [Read More »](#)

What are some weird British stereotypes observed by other nationalities?

917 **Mike Heroys, Not Guilty**

Where we choose to sit. Several people from India and the USA have mentioned this to me. Consider this scenario:

As a Brit, where would I choose to sit?... [Read More »](#)

If some men don't talk about their feelings, what do they talk about?

315 **Bill Bell, wannabee**

I attended a birthday party for a male neighbour and friend last Saturday. I spoke to three male guests. One told me about his new \$60,000 tractor, another reported climbin... [Read More »](#)

What are some stunning examples of waste of money?

279 **Shwetank Verma, Rationalist, curious and a Patriotic ...**

I am not an art fan but I always try to find a meaning in them whenever I stumble upon them. But this is beyond my logic. This painting by Mark Rothko was sold for 73 milli... [Read More »](#)

Did different breeds of dogs evolve on their own, or were they created by artificial selection by humans?

457 **Suzanne Sadedin, PhD in Zoology from Monash University.**

Thanks for asking! The short answer is that all modern dog breeds were created by artificial selection on a particular lineage of gray wolves:
