Ciao Jeff,

We have all the details for you with a clear explanation on where every euro is going and month by month. Will take [REDACTED] through the details today.

All expenses are accounted for, even the 100 euros one. All very detailed because in any case we will do it slower with our money or faster with also your support. We have been conservative as the plan is done for us. The finance team in Italy went through all the details and I personally tested a number of assumptions. I feel comfortable with the plan.

Happy to share also with you if you want at your best convenience, in the meantime as per your instructions I am sitting down with [REDACTED] in a couple of hours.

Always at your disposal

Gianni
