Spring has sprung in your front yard, your backyard, and perhaps your living room, kitchen, or entryway. But it's easy to overlook your bathroom when infusing your home with a burst of seasonal style. And the bathroom's important—it's where you get ready for the day ahead, and where you unwind with a bath at night. Today's featured collection will help you create a fresh, lively space with eye-catching shower curtains, vintage-inspired cupboards, and decorative shelving to keep you organized. So choose a few new pieces, and watch your space blossom.
