i spoke with Ricky and he gave me song and dance that pricing we are receiving is not budging as aircraft from east to west does not have to move in addition he said that any airplane that does Santa Fe flight will go onto LAX next and wait for their next flight

best two deals he has are:

- 1) Challenger 604 33,810 all in (1150 cubic feet with flight attendant and wifi)
 - 2) Citation X - 28,821 all in (600 cubic feet / 8 captains chairs)
- Ricky said he is working at cost to gain our business.
He also said above 2 deals will probably both be gone in 24 hours

Please advise
