I looked in the Gulfstream pilot manual you have been reading in the plane, if you look at the exterior walk around photos it shows the same outflow valve louvres in the photo I sent earlier, this indicates that style is factory Gulfstream louvre!  
I'll contact tech support parts Monday and see if it's still in production.

Thx  
Larry

Interesting,  
This white GIV is parked next to me, serial 1187 straight GIV our serial is 1085!  
NEVER seen outflow fins like this, I spoke to the pilot and he hasn't either . He bought the plane with these louvres , I'll research
