Dear Jeffrey;

I am Tohru Hasegawa, Ph.D. I have developed HBF brain food. This brain food has cured the cognitive abilities of 61 patients of AD.

Please open the attached file. This paper is submitted to the international congress. Here is the copy.

Dear Tohru Hasegawa,

Thank you very much for having submitted an abstract to the 6th edition of Clinical Trials for Alzheimer's disease CtaD 2014 to be held in Philadelphia, PE – USA on November 20-22, 2014.

Your abstract will be reviewed attentively by our scientific committee and we will let you know of their decision.

Once again, we thank you for your submission.
