Jeffrey... Wow. Long time.

I'm so sorry to have contacted you then disappeared. I feel bad even writing this to you but at this point I'm not sure what other solution I potentially have. I have a 3 yr old now. I'm married but we have not been good for awhile. I'm thinking to get out of the marriage and actually tried the day that I connected w you, but then I got spooked. He decided to try and change I'm I'm giving it another chance.

The point is that I may need financial help if this does take place. I don't want anything from him. If you would even consider helping me w a loan at some point I would be more than Grateful. You don't know how much I hate asking for help in the first place. It's killing me. I just want to make sure that I can provide for my daughter and myself. You haven't ever been anything but generous and wonderful in the past and I can't tell you how much I appreciate that. Coming over to see you was always a highlight...

Thx for taking the time to read this.

Much love and Aloha
