Dear Mr. Epstein,

I am in receipt of your email response. You have a beautiful aircraft. Unfortunately with the addition of the DU885 enhanced flight deck the seven million dollar ask price would be above our clients threshold. I appreciate you taking the time to respond to my search. As stated in my email reach out, I was not in search of a listing, however if you would like to consider marketing your aircraft I would welcome the opportunity to present our marketing program and exceed your expectations.

I look forward to your reply, and fly safe.

Sincerely,

Linda Myers
