506(d) questionnaire.

Also another version (25th) of the PPM with another round of attorney's changes.

This is all good – BUT a problem is that a structure is still not solved. This is what is referred in yellow below by mid next week.

Ah sorry didn't realize Friday 1pm.

Quick summary is that we should have everything resolved mid next week (Tuesday/Wednesday). Had a very long discussion with Yuri today on this.

Let me know if you would like to speak morning your time – I can stay up till late if needed?
