Chance is so small that I would not count on this.
It is in Bill's interest that I get that fund.

FYI - I got another version of PPM this morning - additional lawyers are working on it and revising.

They are working on Friday deadline. It is shaping nicely.

I need to go now through this and give my changes.

Also most importantly - the last thing is that Yuri decide re structure - something was happening with him - I think independently of this.
