Subject: Where are you?

Just had a meeting on Woody's new film that he acts in that John Turturro directed. Andrew Saffir has been calling the studio since dec...pretending to have sponsorship...and is about to get it unless I can come up with more and better money.

I am calling Turturro's agent right now and getting back to you. It's the film Woody plays a pimp. Premiere is Friday, April 11 which is the only date Vanessa Paradiso...ex wife of Jonny Depp is available in NYC. I could also do a press conference lunch. Woody is not expected to attend anything. His play opens April 10th. This is for April 11 so maybe you are in NYC.

Can I call you? Peg
