There are offices, and then there are startup pads. You know, thought incubators bubbling over with new ways of getting things done. These infamous spaces are also known for their innovative approach to office décor. From whimsical lounge chairs and wall décor to office-slick ping pong sets to help you blow off steam after a meeting, here are a few ideas for building out a better culture at your office. Choose a few and watch the fun (and hopefully the hard work) ensue.
