Erin and Lindsey wanted my comments before they sent it to you.
What must I say?
I think it is too much. It is \$ 60 000 of which 20% is their design fee.

Hi,

Attached are two mock up boards of the studio furniture layout, so you can see what the items would look like and an excel spreadsheet of all items. We intend to use personal photography over the sofa and throughout the apartment.

Let us know if you have any questions or feedback!!

Best,

Lindsey & Erin
