Hey there. I was going to arrive later but if you'd like to hang out I can make an earlier flight.

JEE will be in Seattle late afternoon and seems free between 4-5 but will fly home at 7.

Not sure you (Steve) can make it in after mtgs in SFO to see JEE in person but maybe worth a check in call to say hi.

Phone call maybe while JEE driving to airport bc there will be traffic during that time!
