Things we love about picnics: Sunshine. Potato salad. Lawn games. Those cute red-and-white checkered tablecloths. In the spirit of picnic season, we've handpicked some goodies to help you host an outdoor gathering of your own. It's all here, from outdoor-friendly ottomans and a horseshoe set to a BPA-free water bottle that happens to hold an entire bottle of wine. So choose a few new pieces, call your friends, and grab your favorite snacks for al fresco snacks. It's picnic time.
