Anthony questioned me about the backsplash just before I left for South Africa. As everything he used was either specified by [REDACTED] or decided between them I had NO idea that this had not been selected. I have not been involved in any of the selection of any of the finishes. Except when I was told that they were planning to put carrera marble and I stepped in as I Know you don't like it. Anthony did not ask me this months ago. He asked me just before I left. They were working off a completed spec, closets, glass, appliances, counter top, lighting. I did not anticipate that this would be one item not specified.

I NEED images. I can't follow up any other way. I have requested this from him.
