Jeff,

This will suffice as official confirmation of payment to you of 50 m euros (Fifty million euros). You have agreed to spend no more than 2 months on our project. (weekends not included). As agreed , your suggestions will be sent directly to me and my designated lawyer. I am very pleased with the results so far. I hope you enjoyed your present. I can't thank you enough. You have my total confidence and I look forward to doing more things together in the future.
