Update-

At this time satellite service to router in basement is 4 mbps download and .65 upload
Speed test on wireless laptop using a web browser will show 3 to 3.5 mbps. the service is more consistent and cleaner

Spacenet engineering are working on solution and have indicated possible fix by thursday, I have asked them to expedite resolving this situation ASAP.

Expect an update from Spacenet tomorrow morning 10 am

Phones

To clarify my last e mail, TW telco are testing T1, there is still a slight back ground noise. Amtel on sight tomorrow to check system and larrys phone

Spa-heater fixed
