Hi Leslie-

We're still tinkering with the floor plan, so things are still up in the air. Of course, Jeffrey will have one of the premium tables at the event but that the precise locations won't be finalized until they have figured out how the stage will be placed. Is there is something about which he is concerned, or to which we should be sensitive? Also, based on the last info I have, I have Jeffrey as not coming to the event but filling is table. Is this still the case?

Thanks
MC
