you should know that i am ver very dissapointed . i have not received one message that asks what you can do to be helpful, you did bring sweets and i appreciate it. you have not learned anything that is beneficial to me for over a year since thai massage. I am there when you need anything, and you have little trouble asking for what you need. howevr when it comes to doing something for me , you never have time, you are swamped taking classes that i told you not to take, took toomany classes that i told you were too many , and ignore everyhthing except your school that unfortunately will not enable you to get a job.
