Given that cell coverage caused disconnect yesterday, i think your plan is good but instead call a land line. [REDACTED] This will ensure no technical failures. As there are three service centers that handle priority hotline, we may need to fax twice today. Once to Practitioner hotline and then once to examination. Presumably Philadelphia. Miriam is not in at 9am EST. I can ask Rich D to fax. As i am on a land line i can call him or email while on landline. As follow up, there is no direct dial to examinations per my contact who ran IRS practice and procedure for KPMG. I will send IRS number via separate email. 9:00 am EST. THANKS
