## Revamp Your Kitchen in Chic Bistro Style

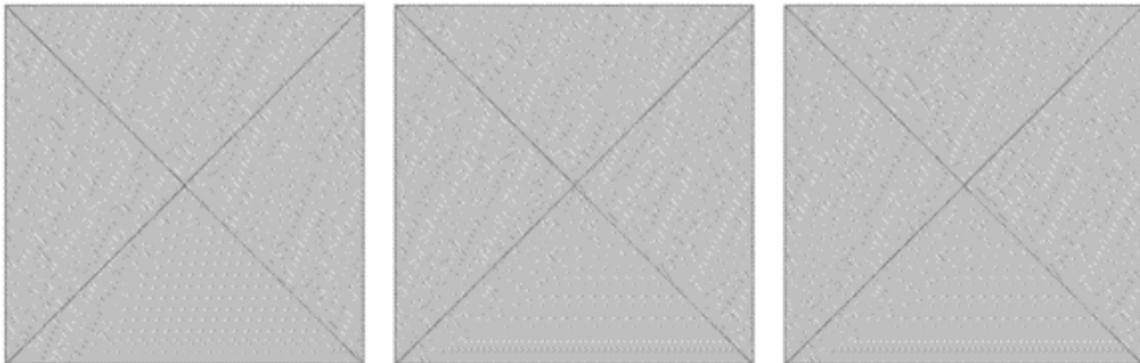

Bring home the bistro dining experience with today's collection. We've got all the essentials for you to make over your kitchen with cozy bistro style, like your dream spot on the sunny streets of Paris. Our latest collection has plenty of unique rustic-inspired pieces to add that *je ne sais quoi* to the heart of your home. Whether you're looking to add a simple touch, like some cheese knives or a set of towels in beautiful French blue, or create a whole new look with brasserie-inspired dishes and a Parisian-

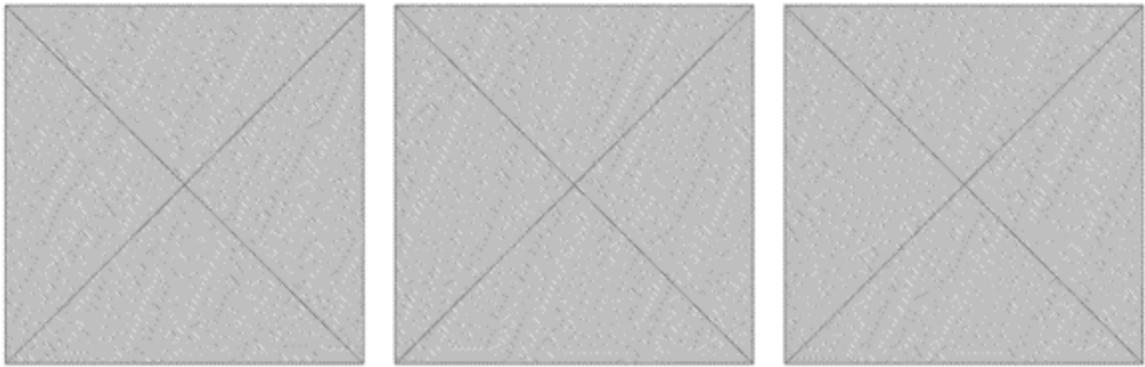

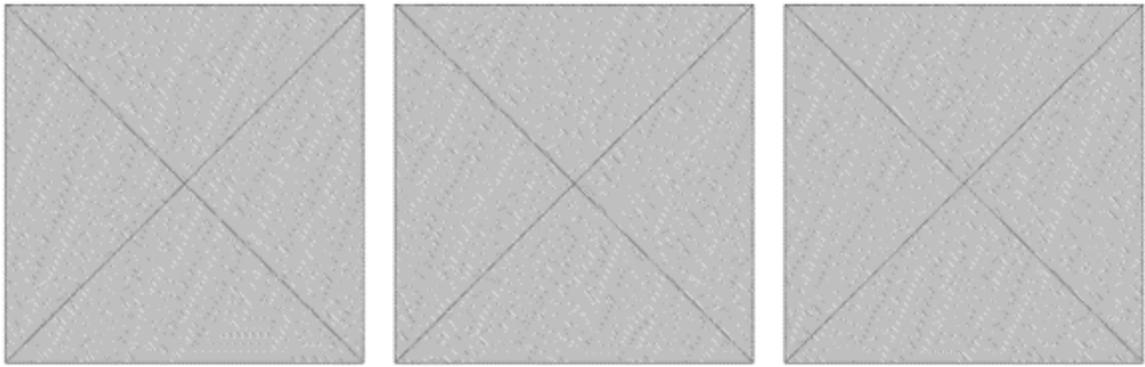

printed sideboard, we've got just what you need.

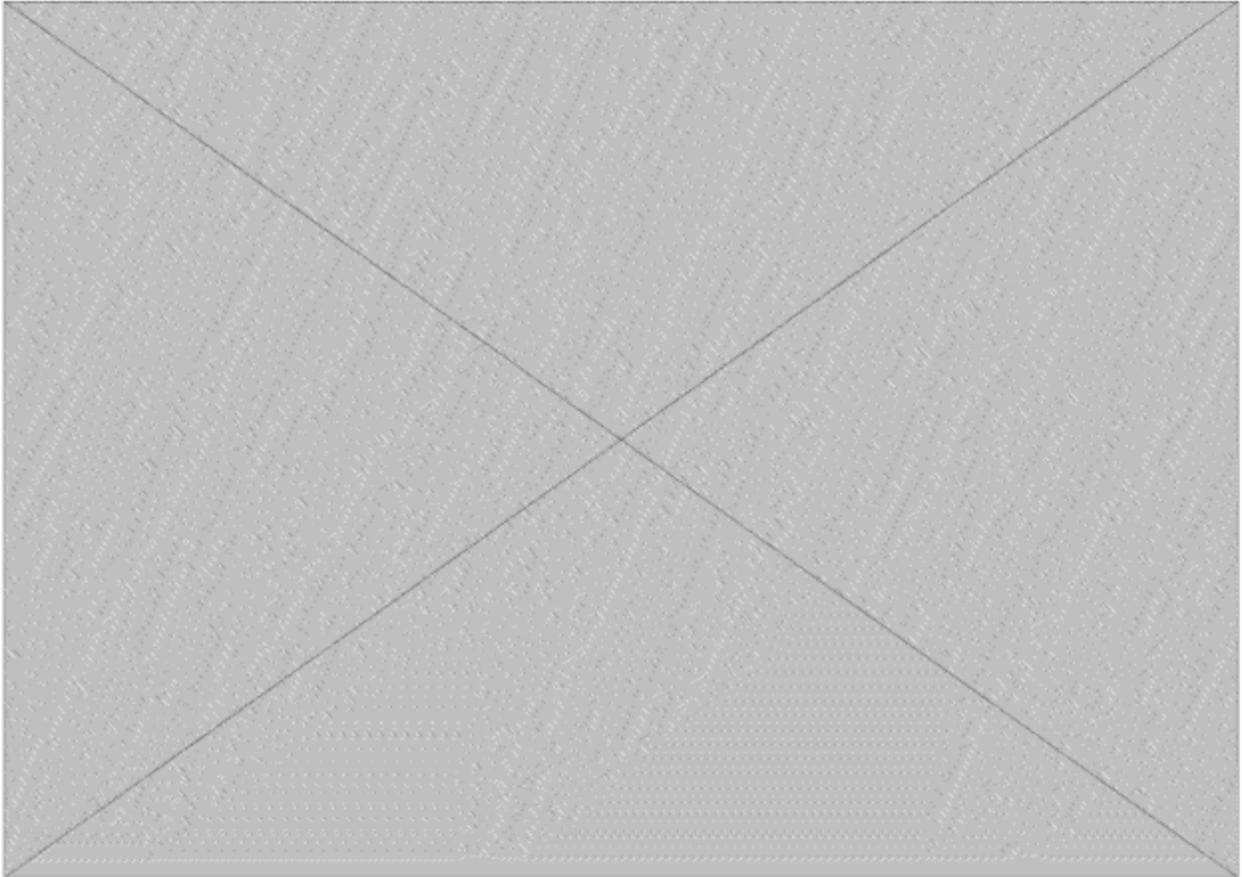

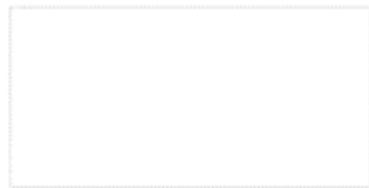

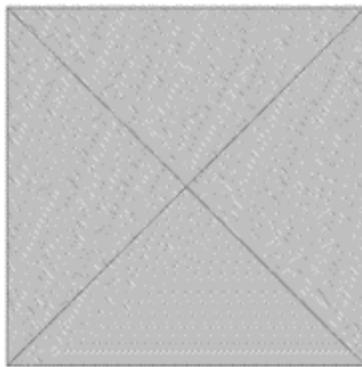

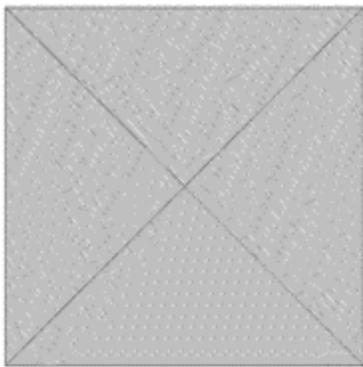

We love this unusual sideboard glamorously printed with the distinguished streets of Paris. The rustic tones and antiqued lettering stand out handsomely but subtly against the deep black finish. An array of 11 easy-to-organize drawers mean you'll have everything you need right on hand as it's needed.

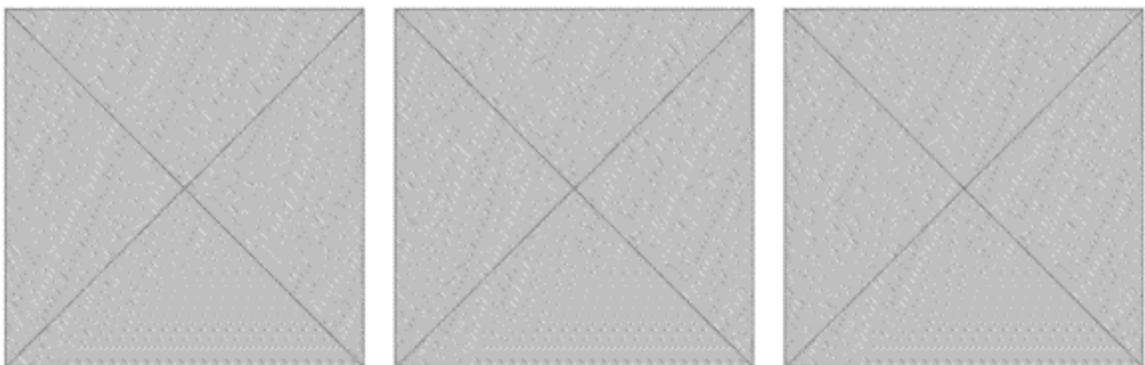

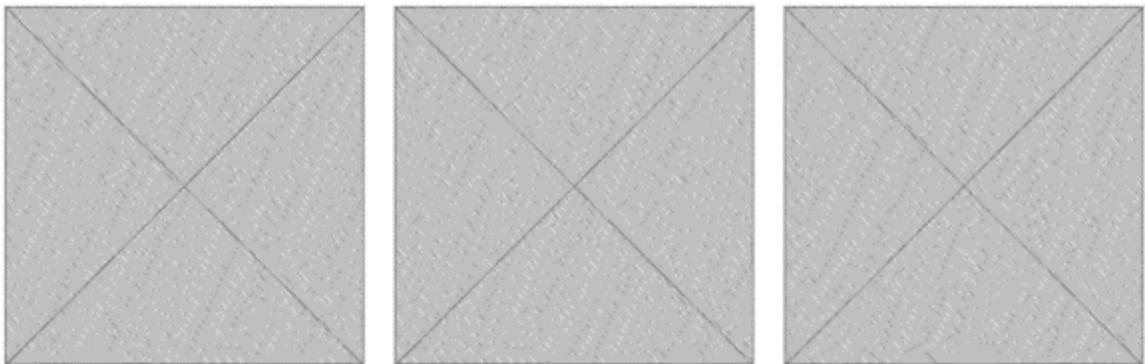

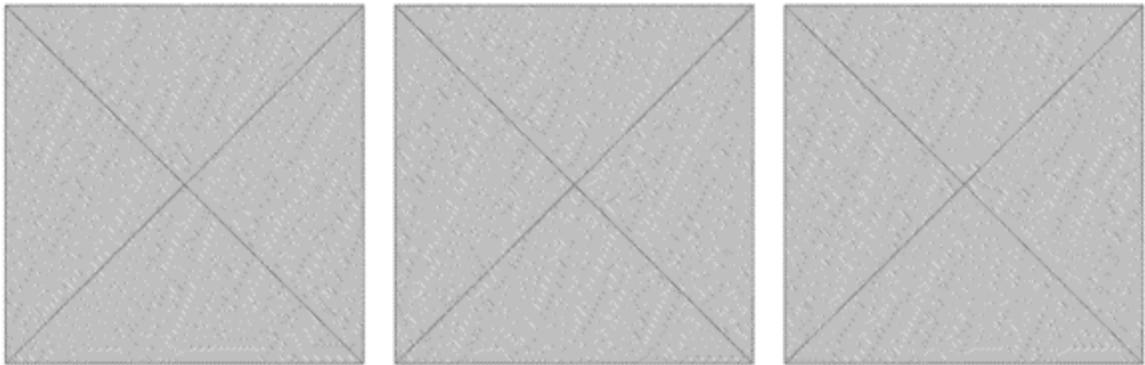

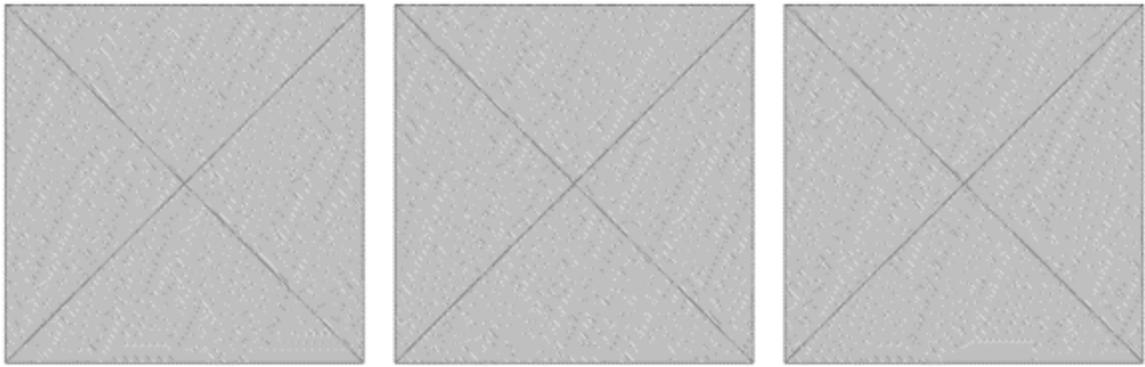

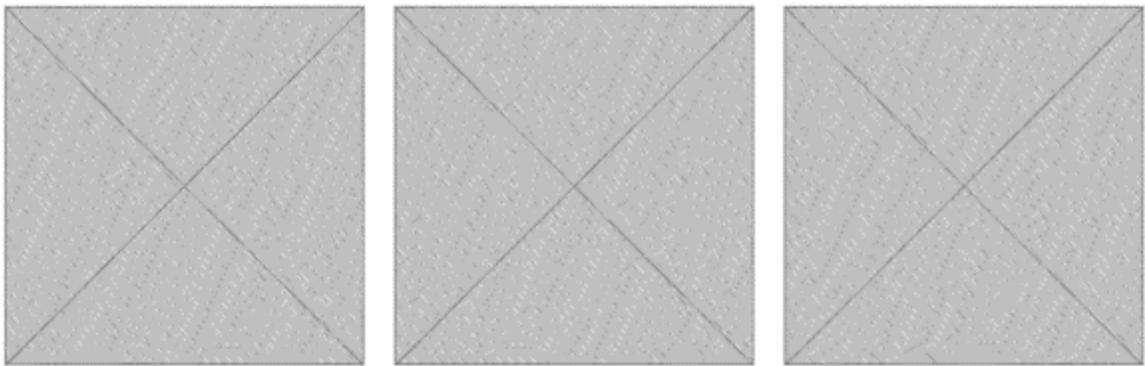

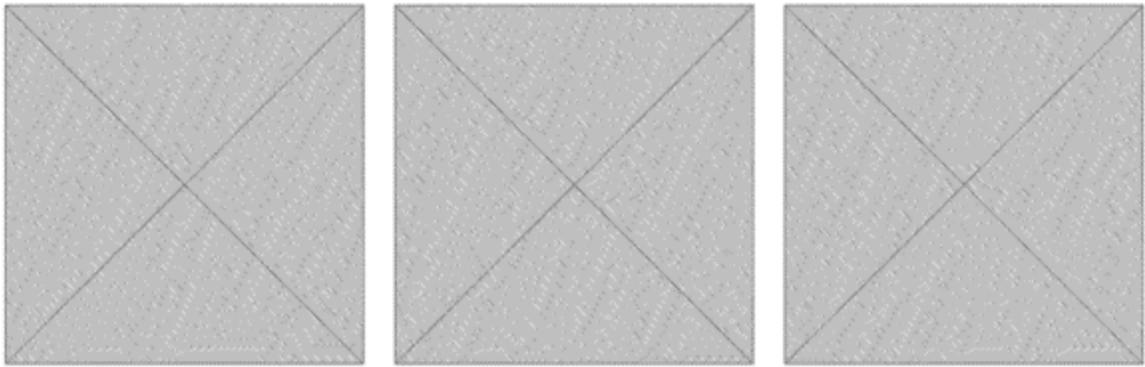

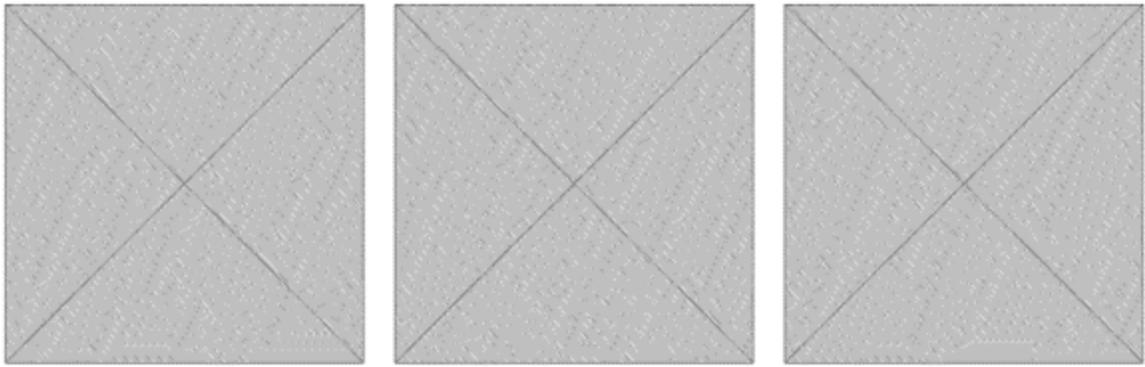

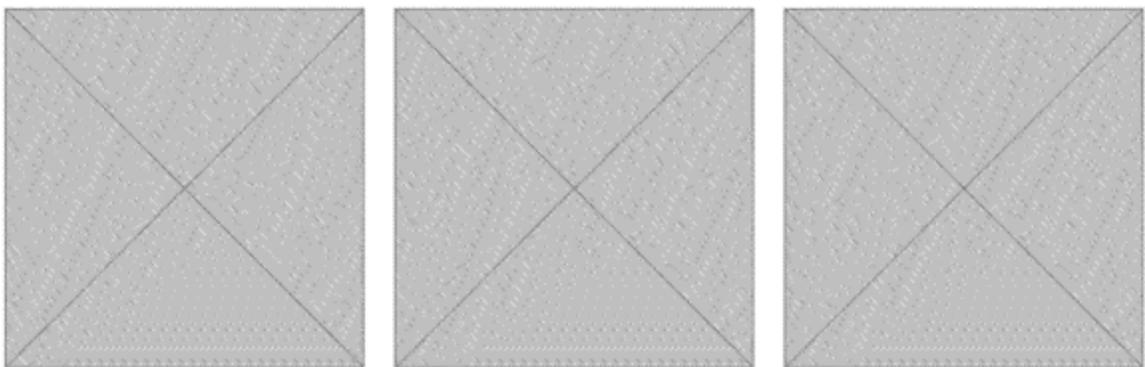

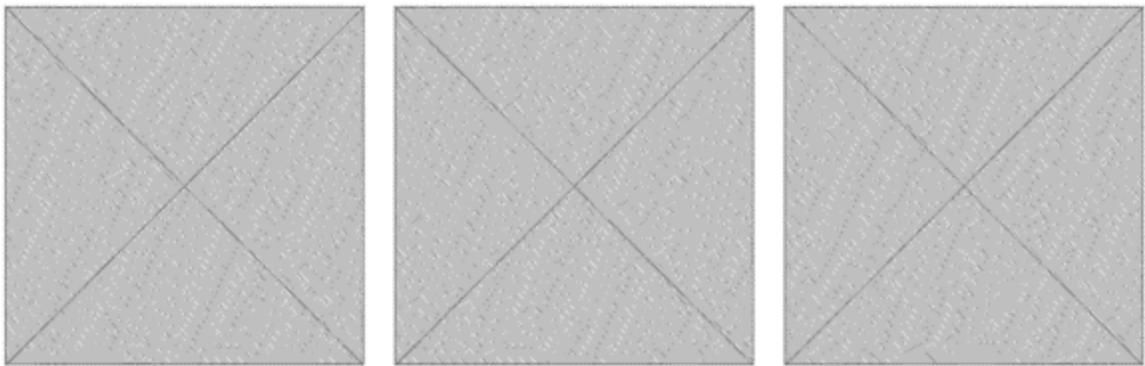

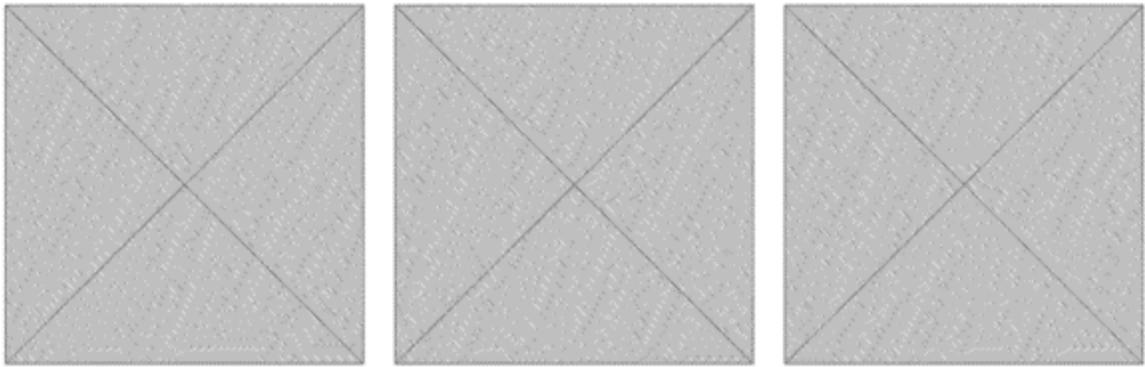

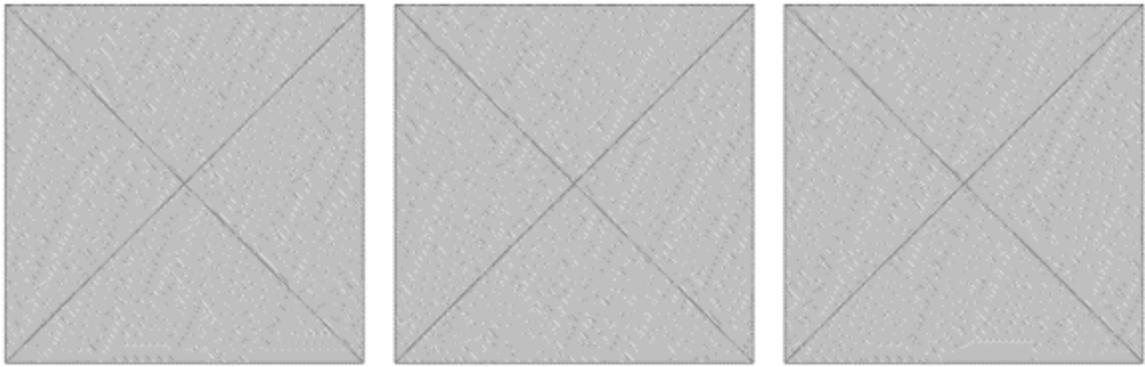

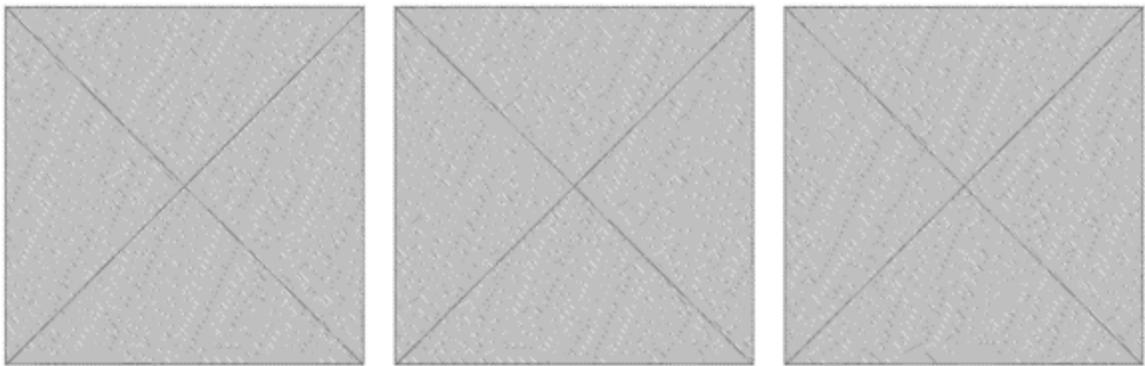

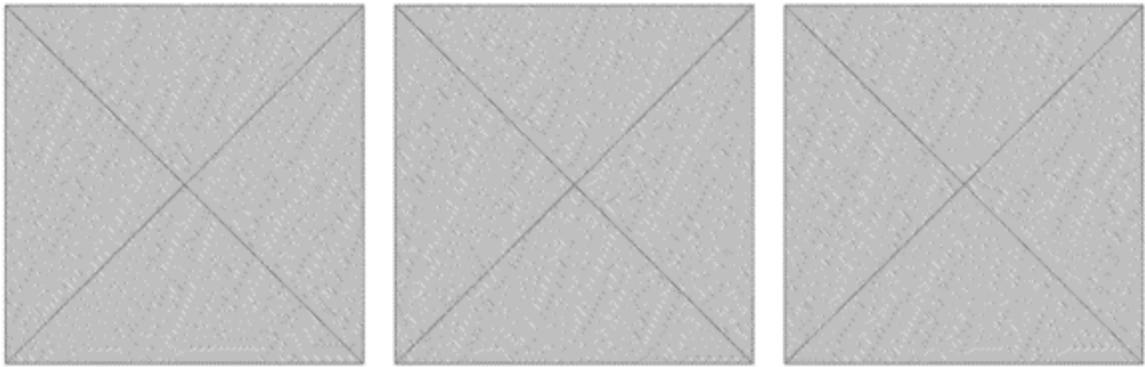

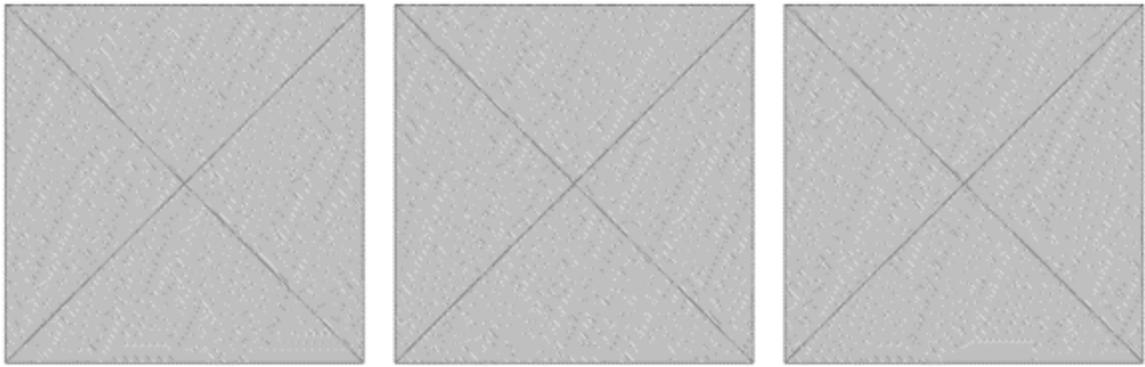

Add texture and a rustic sensibility to your sofa or bed with this Flea Market Lumbar Pillow, which features the geographic latitude and longitude coordinates of Paris.
