Jeffrey,
[REDACTED] is not responding to my email. I contacted the school and was informed that in order to process her application they require \$50 application fee, \$150 international fee and \$500 deposit for the short program course or \$1000 for long program (master degree,..)Without the payments application will not be processed. She will need to verify start date and location (NY, LA..) and submit transcript from college or high school. After the application is processed she will be contacted by the international department and they will issue i20 that she will need to bring to the embassy to get a student Visa F1.
Email from school attached.

Please advise what amount I should pay to the school.

Thank you,
Bella

Hi, your application is incomplete so I need you to fill out the attached application and email it back.

If the program is a 1 year or longer fill that one out, if it is a shorter program fill out the short term application.

I have also attached the credit card authorization form for the fees:

\$50 application fee
\$150 Intl fee
\$ Deposit of either \$500 or \$1000.00 depending on if the deposit is for a one year or longer program (1000\$) or shorter (\$500)

We will also need you transcripts sent to:

NYFA
100 Esst 17th St
NY NY 10003
Attn: Registrar

They need to be translated into English and sent with the original.

Once we have these items the Intl. Dept. can start the I-20 Process with you!

Contact me with any questions and I look forward to helping you!
