If you can do a call I am available at any time today - I would like to explain the current moving pieces and why we are confident if you have time.

Harvard, edge, and getting [REDACTED] set up as a author permanently on a few sites is the final push we need and sets you up moving forward for links at little to no cost through [REDACTED]

I am submitting a press release today per [REDACTED] request to keep momentum going

Daily mail is page 2 - just confirmed from a few places. [REDACTED] please confirm I want to be sure we are looking up same way

We are seeing lots of movement on huff, edge, Harvard and a few other urls

Mr. Epstein, Are we ok on last invoice? We are on track per our last call but are losing momentum in this period of uncertainty

I know this is binary to you and you need it all gone. I still believe we are close to this if we can continue with confidence.
