Thanks for sending this list.

I may need your help as I do not have purchase information on the four Jasper Johns paintings nor the two works by Hans Burgkmair.

Last, is the Eduoard Manet "Bathers" the same as "Après le bain"?

Thanks again

Dear Richard,

As promised per your request. We finished very late at MoMA and Withers had to make some additions and deletions to the list....This is the current status. All loan periods should be assumed to begin and end about three weeks earlier and later than the exhibition periods but the dates are usually fluid until they are ready to move.

All the best,

Diana
