## See the World From Your Home

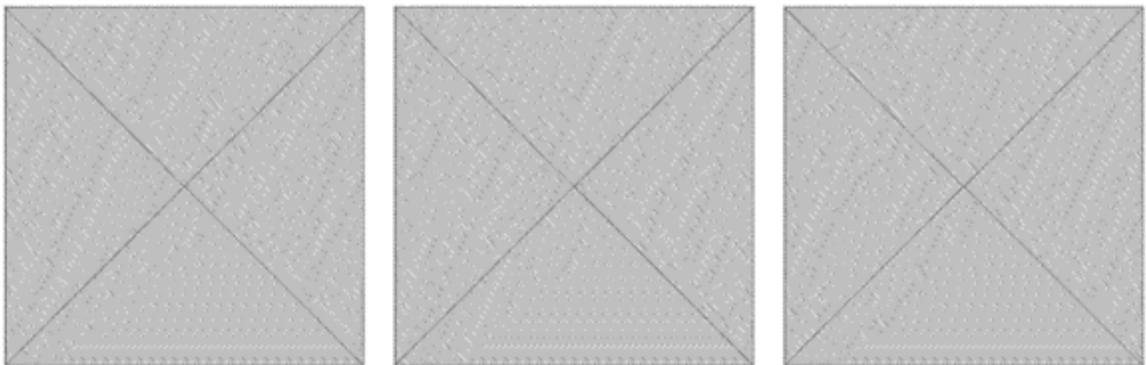

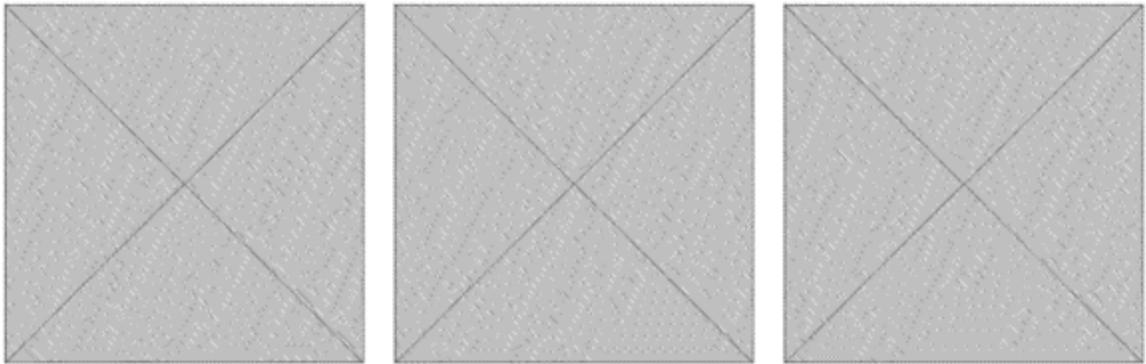

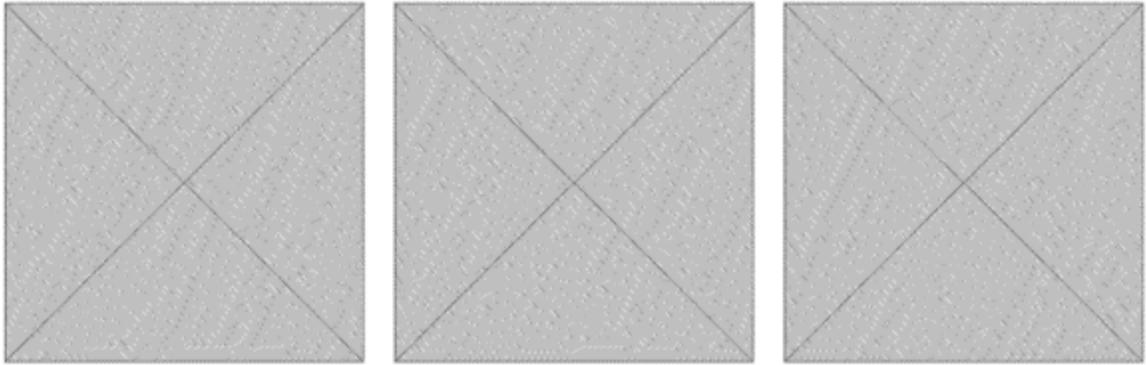

You've got an inclination to roam, whether as an armchair explorer or a bona fide jet-setter. If your heart yearns for a backpacking expedition across Europe, a safari through the Serengeti, or an adventure Down Under, we believe your home should reflect your passion for seeing the world.

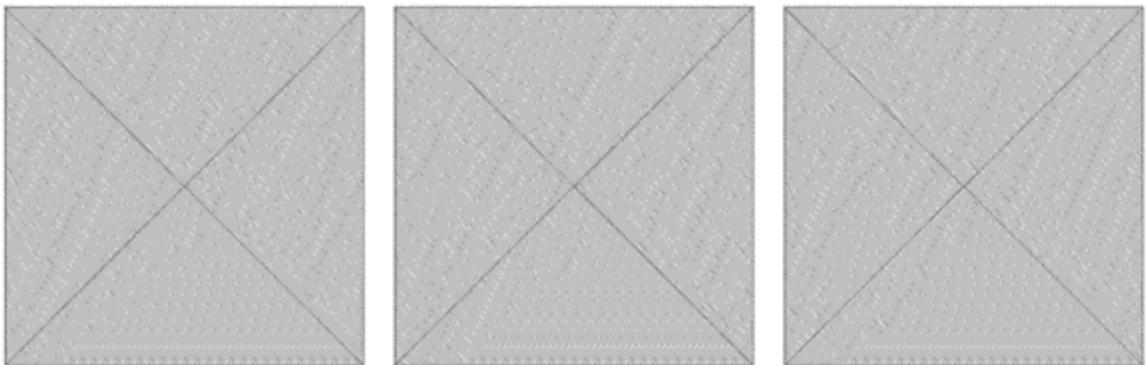

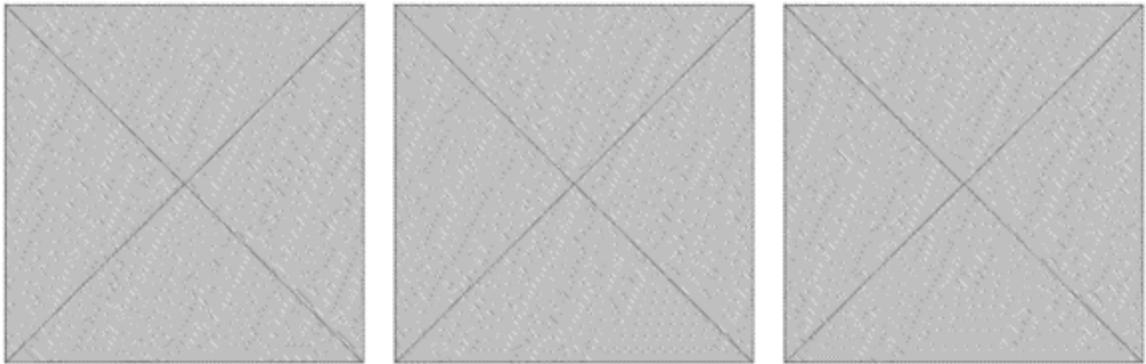

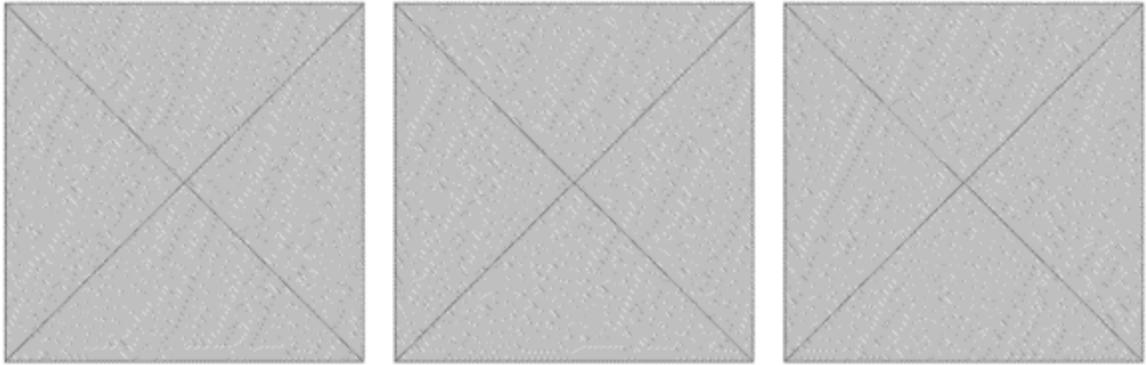

Showcase mementos of your voyages and celebrate globetrotting style with our

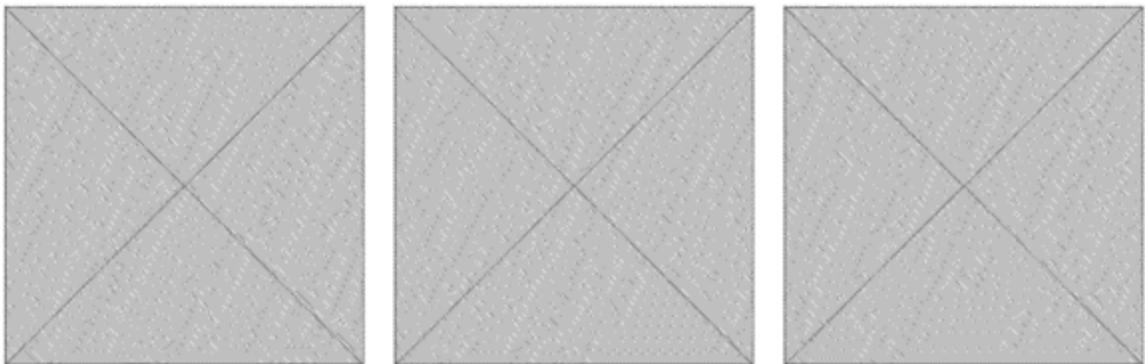

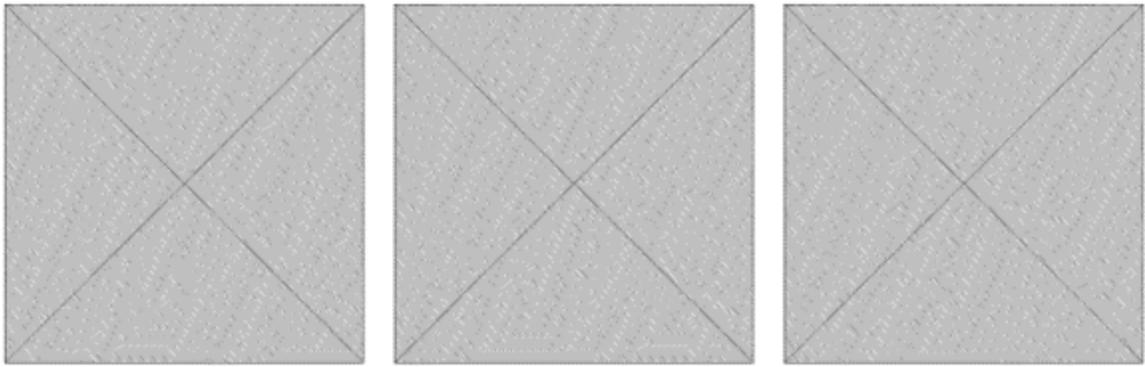

collection of travel-inspired décor. You can dress up your home base with wire sculptures of the world's monuments, outfit the living room with a cushy new sleeper sofa and stylish cushions for kindred travelers, and then pack up a scratch-off map of the world and be on your way to the next great adventure.
