How important is a wedding ring?

110 **Jessica Su, to be brief**

Things I would rather have than a \$1000 wedding ring:

- 1000 Hershey's bars
- A 1000 GB hard drive
- A \$1000 gift card to Chipotle...

What is the business/professional value gained by completing a Singularity University program?

18 **David S. Rose, Founding SU Track Chair for Finance, ...**

While there is a certificate of completion granted by SU, the two primary benefits of the SU Graduate Studies Program (which is what I assume the question refers to) are, i... [Read More »](#)

**I am in my late 20s, and feel I have wasted a lot of time. Is it too late?**  
3.6k **Heidi McDonald, If it's creative, I probably do it.**

I went to college to get my bachelor's degree at 39, graduated Summa with a 3.953 GPA, and did a full career re-invention, to my dream career (video game design), at 41, wh... [Read More »](#)

**Why does Pharrell Williams not appear to age?**  
94 **Colin Shillingford, Craftsman + Wordsmith**

Pharrell takes good care of the skin on his face, which is where age tends to reveal itself the most. I saw an interview recently where he shared his only secret to looking... [Read More »](#)

**Is it true that Albert Einstein failed in mathematics many times during his school days?**  
1.6k **Robert Frost, Engineer with specialization in space...**

No, it is a myth.

Einstein, throughout his childhood education, was an excellent math student - always the top in his class. When a rabbi showed Einstein a newspaper arti... [Read More »](#)

I don't play magic professionally, on purely semantic grounds, but for the last 3 years I have been a "Platinum pro", which is the highest professional tier for competitive... [Read More »](#)

**Booz's report on "The Rise of Generation C": how accurate are their timing projections?**

5 **Alex Steer, strategic planner**

Though not outstandingly wrong, this feels like a rather thin scenario to me for a few reasons, mainly:

1. If anything, its tech predictions are a little conservative.
2. I... [Read More »](#)
