Subject: Dr. Waren Eisenstein

Hi Pamela. As you know, Warren passed away last night. I understand all is in order and his body is at Sparkman at this time. Please confirm. I will have the obituary photo and copy for you later this morning. Will you handle this with the Dallas Morning News? I would also like this to run in the NY Times. Do you handle or should I handle this placement. In the DMN, I understand the obit is run at no charge for two (or three?) days. Thereafter, there is a charge. Please have this run beginning tomorrow or Saturday and run it through (and including) Monday. As for the cremation, we would like this to be done at the earliest possible time. Please arrange for the ashes to be contained so that it can travel to NYC, Warren's birthplace.

Finally, please send me all Sparkman Funeral Home's charges for the services you are providing. A breakdown would be appreciated. Thanks for your assistance. Best number to reach me with any questions is 214 912 6054.
