Jeffrey,
Attached is Boeing maintenance quote for labor only for March input, \$62,000.00 (typically you double the quote but past corrosion issues have been challenging to estimate).
I can start maintenance this week in Brunswick GA and have completed by March 9th if you approve.
(Engines #1 and #3 are due corrosion inspection July 2014.)
Should I fly the Boeing to Brunswick and start maintenance so you have Boeing ready for March 9 trips?

Thank you
Larry
