Larry,

I spoke with Larry Wright.

Naturally I had to hear about how many of these Boeings are on the market and the fact that none of them are selling, but in the end Larry is all about doing a deal.

"In the spirit of the deal" he is willing to reduce his commission a further \$50,000 to get this done, but he says that is it.

This is a great deal, it's As-Is, and we need to get going to black & white asap before the AD on the engines mature and we are stranded at a tax aggressive location.

Please give me the green light, because time kills deals!

Sincerely,
